Important Note: Please take note of the Assessments Dates. Missing any exam will result in your child having to re-apply or re-sit that year.

Jalsah & Parents Meeting Dates: These dates are very important and we expect all Parents to attend. Parents should take note of all the dates and plan work and other commitments around these dates as these events support your children's madrasah progress.

Parents must ensure children do not remain absent during term time. We encourage all students to work towards achieving 100% attendance. For the betterment of our children's education and the smooth running of the Madrasah, it will not be possible for the Madrasah to grant any child extra leave other than the normal stipulated vacations mentioned. You are advised to book all events according to scheduled vacations in advance, and not to embarrass the administration staff by requesting extra leave.
